

Financial Health Checklist

Check every box you can honestly say is true. Three or more empty boxes means your books are costing you money, sleep, or both — and each one is fixable.

01 Books & Reconciliation

- ☐ Every bank and credit card account is reconciled through last month
- ☐ No unexplained balance sitting in Undeposited Funds
- ☐ The chart of accounts matches how the business actually operates
- ☐ Personal and business spending are fully separated
- ☐ Books are closed within 15 days of month-end, every month

02 Cash & Receivables

- ☐ You know today's real cash position without calling the bank
- ☐ AR aging is reviewed monthly — you know who owes you and how long
- ☐ Invoices go out within 3 days of work delivered
- ☐ A 13-week cash flow forecast exists and gets updated
- ☐ You know your true monthly break-even number

Financial Health Checklist

03 Compliance & Payroll

- ☐ Sales tax is collected, filed, and paid on schedule (state + local)
- ☐ Payroll tax deposits match filed returns — no surprises
- ☐ Contractors have W-9s on file; 1099s go out on time
- ☐ Texas franchise tax report deadline (May 15) is on the calendar
- ☐ Business licenses, registrations, and insurance are current

04 Reports & Decisions

- ☐ You review a P&L and balance sheet every month — and they make sense
- ☐ You know your gross margin by product, service, or job
- ☐ Budget vs. actual gets compared at least quarterly
- ☐ Your books could survive a bank loan application this week
- ☐ Your CPA gets clean, complete records at tax time — no shoebox

Your score

18–20 checked Your books are an asset. Keep the rhythm.

14–17 checked Solid foundation with expensive blind spots — tighten the misses.

Under 14 Your books are running the business instead of you. Time to fix that.

Missed a few? We'll help you check every box.

Free, no-pressure consultation — a straight answer on what your books need.
